Hints

- 1 The Beginning can also be the end. Start on Poinsett Street with the shells under your feet. Look closely for Tater Toad hiding out.
- 2 Just to the right is Sister Tess--she's window shopping by the terracotta tiles.
- 3 Finding Aunt Tully is a little tricky. She hangs out on the side of the building where ivy grows.
- 4 Around the corner on Trade Street is where you'll find Tex. He's at the building where the bricks arch. Look high and low!
- 5 Talon is lost. He's waiting for Mama Toad under the green lanterns.
- 6 Around the corner where the brides get done up, Tallulah is patiently waiting her turn.
- 7 Come back to Trade Street to find Taylor hanging out at the old drug store.
- 8 You can find Tino where the sounds of the Blues circle the air.
- 9 Timmy is in awe watching Tino from his perch across the street.
- 10 Finish your journey with Tiesha. She is waiting for the rest of the family to take the train to Greenville.
